

Kincaid Elementary Foundation Family Investment Campaign

The Family Investment Campaign is the Foundation's largest fundraiser. We ask every family to donate a minimum of \$75 per child (or \$150 per family). Your contribution is invested directly back into Kincaid and benefits your child's education. All donations are 100 percent tax deductible. A payment plan is also available.

Please make your check payable to Kincaid Elementary Foundation and return it with this completed form. Bring your payment to Open House, send it to school in your child's folder in an envelope marked "Kincaid Foundation," or mail it to Kincaid Elementary Foundation, 1410 Kincaid Rd., Marietta, GA 30066.
