Kincaid Elementary Spring 2017 FACS - Foundation After-School Clubs

Spanish Now (K-3rd): Spanish Now ASP is an after-school Spanish language enrichment program for elementary school children. Our experienced language teachers provide a fun, productive learning environment in which students are given the opportunity to develop basic language and beginning conversation skills in Spanish. The goal is to help children gain an enthusiasm and appreciation for learning Spanish as a second language. Online registration at www.spanishnowasp.com. Contact Marilyn Milley at mmilley@bellsouth.net or 678-591-4574.

Kidz Tennis (K-5th): Kidz Tennis is an exciting, mobile tennis program taking place in the school gym with junior nets, low compression balls, and youth tennis racquets, all provided for use. Online registration at www.kidztennis.com. Email info@kidztennis.com or 404-946-9200.

Soccer Club: (K-5th): Running and Soccer clubs in one! Taught by coach Quinton Hart, coach "Q" formerly from the Atlanta Silverbacks. Open to girls and boys all ages. Online registration at www.nstsoccer.com. Email info@nstsoccer.com or 770-871-6299.

DIY Club (K-5th): A Pinterest follower's dream! Fun and easy projects you and your child have dreamed about working on. Let your child satisfy their creative urge and get crafty! Register online at www.diykidslearn.com. Contact Tricia Nodar at tnodar@me.com or 678-779-4343.

Cakery Club (K-2nd): This club will focus on techniques with frosting, fondant, modeling chocolate and more! They will decorate cupcakes, cakes, cake pops and cookies. There will be a decorating challenge at the end! Online registration at <http://www.cherryontopdelights.com/classes>.

Brainy Builders (K-4th): With our guided program children learn the fundamentals of math and physics as they play. We offer a variety of fun & engaging, age-appropriate projects for beginners all the way to advanced builders (grades K-4). Using creativity, teamwork, and problem solving, students learn through building and testing machines and structures created with Lego and K'nex kits not available in stores. Every new project features thought-provoking themes like simple and motorized mechanisms, outer space, transportation, traveling, and community. For our advanced builders (grades 3 and 4) projects involve construction and software programming providing movement to their Lego models while learning logic, sequencing and problem solving. Each of our advanced building activities provides a challenging series of STEM activities. Online registration at www.playinonpurpose.net. Email janet@playinonpurpose.net or 678-549-0549.

Playball (K-4th): Learn, Practice, Play, that is the Playball Way! Playball Kids sports and coaching programs are about preparing your child for life, with our comprehensive movement and sport skills based program for K-4, which is internationally recognized in 13 countries across the globe. We will help on the sports field by helping your child develop a level of physical competence and team work that will give them an advantage on the sports field. Our kids sports program is comprehensive with your child actively participating in up to 210 different skills. Online registration at www.playinonpurpose.net. Email janet@playinonpurpose.net or 678-549-0549.

Kid Chess (K-5th): Kid Chess teaches chess to Atlanta area children from beginners to advanced students in a fun and educational environment. Register online at www.kidchess.com. Email info@kidchess.com or 770-575-5802.
