**Brainy Builders (K-4th):** With our guided program children learn the fundamentals of math and physics as they play. We offer a variety of fun & engaging, age-appropriate projects for beginners all the way to advanced builders (grades K-4). Using creativity, teamwork, and problem solving, students learn through building and testing machines and structures created with Lego and K'nex kits not available in stores. Every new project features thought-provoking themes like simple and motorized mechanisms, outer space, transportation, traveling, and community. For our advanced builders (grades 3 and 4) projects involve construction and software programming providing movement to their Lego models while learning logic, sequencing and problem solving. Each of our advanced building activities provides a challenging series of STEM activities. Online registration at [www.playinonpurpose.net](http://www.playinonpurpose.net). Email [janet@playinpurpose.net](mailto:janet@playinpurpose.net) or 678-549-0549.

**Cakery Club (3rd-5th):** This club will focus on techniques with frosting, fondant, modeling chocolate and more! They will decorate cupcakes, cakes, cake pops and cookies. There will be a decorating challenge at the end! [www.cherryontopdelights.com](http://www.cherryontopdelights.com)

**Canvas By U (K-5th):** Step by step art classes. Kids will paint, mix, & mingle in our FUN after school program. Online sign up at [www.canvasbyu.com](http://www.canvasbyu.com). Call Stacy Abston at 678-954-8399 or email at [info@canvasbyu.com](mailto:info@canvasbyu.com).

**Imagine That's Sew Exciting (2nd-5th):** Every fashion designer needs their breakthrough and Imagine That's Sew Exciting class will tap into your child's creativity, individuality and talent as a fashion designer! Students will learn how to find their own artistic style as they learn the basics of sewing, pattern making, working with fabrics and textiles, as well as fashion illustration and design. Each day will be an exciting creative journey as students design unique works of art they get to wear and show off to their fellow fashion enthusiasts! Online registration at [www.ImagineThatFun.com](http://www.ImagineThatFun.com) or 770-455-1980.

**Kid Chess (K-5th):** Kid Chess teaches chess to Atlanta area children from beginners to advanced students in a fun and educational environment. [www.kidchess.com](http://www.kidchess.com) or 770-575-5802

**Marietta Martial Arts (K-5th):** In conjunction with teaching the popular style of Tae Kwon Do, MMA's focus is on helping the students develop "Future Black Belt Behavior. - Focus, Respect, and Self-Discipline." [https://mariettamartialarts.webconnex.com/ASP\\_Kincaid](https://mariettamartialarts.webconnex.com/ASP_Kincaid) or 770-321-1371

**Overtime Athletics (K-5th):** Let's Play! Save the best for last by finishing up the school day with Sports Spectacular, a variety athletic program that features different sports throughout the session. Participants will practice skills and play games in both traditional sports and playground favorites. The Sports Spectacular Variety Program features the best "to-do" list ever - Basketball, Soccer, Flag Football, Kickball, Capture the Flag, Wiffle Ball, Bump and Bite, Knights and Dragons, Numbers Game, Tag Games, Safe Base and MORE! OTA covers all the bases with our emphasis on playing, teamwork, sportsmanship, and fitness. Don't miss out on the FUN! Online registration at [www.otathletics.com](http://www.otathletics.com). Email [MattP@otaathletics.com](mailto:MattP@otaathletics.com).

**Playball (K-4th):** Learn, Practice, Play, that is the Playball Way! Playball Kids sports and coaching programs are about preparing your child for life, with our comprehensive movement and sport skills based program for K-4, which is internationally recognized in 13 countries across the globe. We will help on the sports field by helping your child develop a level of physical competence and team work that will give them an advantage on the sports field. Our kids sports program is comprehensive with your child actively participating in up to 210 different skills. Online registration at [www.playinonpurpose.net](http://www.playinonpurpose.net). Email [janet@playinpurpose.net](mailto:janet@playinpurpose.net) or 678-549-0549.

**PSBcreative PERFORMING smARTS (2nd-5th):** Through educational and fun performing arts experiences, students will develop valuable life skills such as respect, self-expression, confidence, problem solving, team work that conclude with 2 performances in December. All our programs are facilitated by school-based, experienced educators and arts professionals. Register at Meet & Greet/ Open House on July 27 at Kincaid.

**Spanish Now ASP (K-1st) & (2nd-5th):** Spanish Now ASP is an after-school Spanish language enrichment program for elementary school children. Our experienced language teachers provide a fun, productive learning environment in which students are given the opportunity to develop basic language and beginning conversation skills in Spanish. The goal is to help children gain an enthusiasm and appreciation for learning Spanish as a second language. Online registration at [www.spanishnowasp.com](http://www.spanishnowasp.com).
